

## WHY CHOOSE US |なぜ当社を選ぶのか

### Global Expertise with Local Insight

We combine extensive international trade experience with a deep understanding of African agricultural landscape, enabling us to provide high-quality products.

### Trusted Quality Standards

Our rigorous quality control measures ensure that every product meets or exceeds industry standards, ensuring traceability within our supply chains, and guaranteeing satisfaction.

### Empowering Local Farmers

We are committed to building strong partnerships with smallholder farmers, providing them with resources, knowledge and market access to enhance their production. This is done within a CSR framework, where our approach integrates social, environmental and economic sustainability with local community development.

### Adaptable and Flexible

Our proactive approach allows us to respond quickly to market changes and customer needs, ensuring tailored solutions, alongside an elevated and efficient service.

## ABOUT US |当社について

Tareeg Alhareer International Trade Co. Ltd was founded by Mr. Omer Mohamed, an alumnus of Shanghai Tongji University, who brings over 25 years of expertise in international trade to our company. Our mission is to unlock the vast potential of Africa's agricultural sector by seamlessly connecting it with global markets.

Our company is deeply committed to sustainability, traceability and quality, ensuring that each product we export not only meets international standards but also contributes positively to the communities we serve. By empowering local farmers, we help foster economic growth and sustainable development across the continent.

At Tareeg Alhareer, we are dedicated to making a meaningful impact in the global agricultural landscape, transforming opportunity into growth, and potential into progress.
